*****NOTE – IF YOU ARE PRACTICING IN GEORGIA & YOUR LICENSE HAS EXPIRED – YOU CANNOT CONTINUE TO PRACTICE UNTIL YOUR LICENSE HAS BEEN REINSTATED – YOU MUST IMMEDIATELY CEASE & DESIST PRACTICE.*****

Application Checklist

The following checklist is an important part of your application. Please use this checklist to ensure that you submit a COMPLETE application.

The \$1675 non-refundable application fee payable by check or money order to the Georgia Board of Dentistry must be included with your application. Checks returned for insufficient funds will be assessed a service charge pursuant to O.C.G.A. § 16-9-20.

- 1. NOTARIZED APPLICATION:** Completed application form accompanied by the appropriate fee. Your application will not be processed unless the fee and all supporting documents are received. If reinstatement is granted, the licensee will be required to renew by the last day of December in ODD numbered years, regardless of when you were reinstated. The licensure process could take up to a minimum of **30 days** after submission of a completed application. Further, all reinstatement applications must be considered by the Board. Plan your application submission accordingly.
- 2. LICENSE VERIFICATION:** Official license verification for **every** dental/dental hygiene license ever held. Each verification must indicate the date of licensure, the licensure status (active, inactive, expired, revoked, etc.) standing of license, any disciplinary charges made against you by the licensing board and the result of these actions. The applicant must provide a copy of the formal complaint/pleading, outcomes, and a personal written explanation for each instance of discipline. You should call each state board about fees for these services. The verification(s) must be submitted with your application **IN THE ORIGINAL SEALED ENVELOPE FROM THE BOARD OF EACH LICENSING STATE**, or sent via email directly from each licensing

state to bhowell@dch.ga.gov. The verification must be dated within four months of the Board's receipt of your complete application packet.

3. **JURISPRUDENCE EXAMINATION:** A copy of the exam is included in the application packet. Successful completion of the Jurisprudence Examination with a score of 75 or higher is required. The Jurisprudence Examination may be taken as an open book exam. You may refer to the Board's law and rules governing the practice of dentistry in Georgia located on the Board's website at <https://gbd.georgia.gov/laws-policies-rules> to assist you with the examination. Score is only valid for one (1) year.
4. **NATIONAL PRACTITIONER DATA BANK:** To obtain a self-query from the NPDB-HIPDB, please visit www.npdb.hrsa.gov or call the Customer Service Center at 1-800-767-6732.

If the National Practitioner Data Bank (NPDB) provides any disciplinary action, certified copies of any pending or final disciplinary actions or malpractice actions against applicant must be submitted. All applicants must submit a NPDB report along with the completed application. The NPDB report must be dated within four months of the submission of the application. The ONLY applicants exempt from the requirement of NPDB report submission are those applicants within 6 months of dental school graduation and who have never been issued a dental license in any state or U.S. territory.

The NPDB report must be received in the ORIGINAL SEALED ENVELOPE FROM NPDB. Applicants who have disciplinary or malpractice case(s) (open & closed) will be considered for licensure on a case- by-case basis, after receipt of all required application materials. For each case, the applicant must submit:

- 1) a copy of the formal complaint pleadings filed by the plaintiff/complainant or State Regulatory Agency,
 - 2) a copy of the final action, disposition, or settlement,
 - 3) a personal explanation of the disciplinary action or the malpractice claim, and
 - 4) any further information requested by the Board in separate communications.
5. **CPR:** Submit a photocopy of your current CPR certification in compliance with **Board Rule 150-3-.08**.
 6. **RESUME OR CURRICULUM VITAE:** List chronologically all employment, hospital privileges, specialty training and all other experience in the practice of dentistry. Include names, beginning and ending dates, and locations, where applicable. Explain any intervals where you were not in training or practicing dentistry.
 7. **FOUR (4) REFERENCES** (form attached): The reference forms must be mailed in with the application **IN THE ORIGINAL SEALED ENVELOPE FROM THE REFERENCE**.

8. **CONTINUING EDUCATION:** All licensees are required to have continuing education credits in order to maintain a license in the State of Georgia.
 - o **Dentists** must submit proof of 40 hours of Board approved continuing education obtained within the last two (2) years from the date of submission of application for Board approval. (Submit photocopies only- original certificates will not be returned)

Note: An additional 40 hours for dentists must be obtained for the upcoming renewal period. The hours submitted for reinstatement of a license cannot be used to fulfill the requirements for an upcoming license renewal period.

9. **MALPRACTICE QUESTIONNAIRE:** Be sure to complete one for each suit and attach the necessary documentation. (If not applicable, write N/A on the form sign, date, and return with application).
10. **EXPEDITED APPLICATION REVIEW:** Military spouses, service members, and transitioning service members qualify for expedited application review and should review Board Rule 150-7-.06 for details.

RELOCATION: If you relocate during the time that your application is being processed, you **must** notify the Board of your new address in writing by fax to (470) 386-6124 or mail. This will enable you to receive Board correspondence.

Reminder: It is against the law to practice dentistry with a lapsed/expired license. An individual who continues to practice with a lapsed/expired license is subject to a fine and disciplinary action.

In accordance with Rule 150-3-.05, as a condition precedent to reinstatement after five (5) years have passed without the applicant being actively engaged in the practice of dentistry or dental hygiene, the Board may, in its discretion, require passage of an examination administered by the Georgia Board of Dentistry or a Regional Testing Agency designated and approved by the Board. In addition, the Board may require documentation from a physician or physicians licensed in the State of Georgia that establishes to the satisfaction of the Board that the applicant is able to practice with reasonable skill and safety to patients.

*****NOTE – IF YOU ARE PRACTICING IN GEORGIA & YOUR LICENSE HAS EXPIRED – YOU CANNOT CONTINUE TO PRACTICE UNTIL YOUR LICENSE HAS BEEN REINSTATED – YOU MUST IMMEDIATELY CEASE & DESIST PRACTICE.*****

Reinstatement Policy

For any reinstatement application citing problems, (not having CE during last biennial renewal period, convictions, disciplinary action in other states, impairment, etc.) the licensee will be scheduled to a meeting with the Licensure Overview Committee and the following guidelines may apply:

Guidelines for Reinstatement

No Clinical Practice	Reassessment of Skills (1 week)	Remediation and Reassessment of Skills	Letter of Competency	CRDTS Exam
3 – <5 yrs	X		X	
5 yrs - <10 yrs	X	X	X	X
10 yrs - +		X	X	X

For licensees that state that they **have not been practicing** without a license since the date that the license lapsed are reinstated without a consent order. However, the following guidelines may apply:

Guidelines for Reinstatement

No Clinical Practice	Reassessment of Skills (1 week)	Remediation and Reassessment of Skills	Letter of Competency	CRDTS Exam
3 – <5 yrs	X		X	
5 yrs - <10 yrs	X	X	X	X
10 yrs - +		X	X	X

For licensees that state that they **have been practicing** without a license since the date that the license lapsed are reinstated and the matter is referred to Legal Services to send a public consent order citing the dates of the unlicensed practice with a \$1,000 fine (\$500 for dental hygienists) to be paid within 120 days of the effective date of the order, 3 years' probation, completion the Law Ethics and Professionalism (LEAP) course within one year of the effective date of the order, 4 hours CE in Risk Management within one year of the effective date. A letter of concern is to be mailed to all employers of hygienists with a lapsed license concerning aiding and abetting unlicensed practice.

The board also allows reinstatement consent orders that have been signed by the licensee and returned to the board office to be accepted upon receipt, with the Executive Director signing for the Board President.

If reinstatement is granted, the license will be required to be renewed by the last day of December in ODD numbered years, regardless of when the license is reinstated.

The implications of a licensee practicing without a license are far-reaching. Employees/associates working with an unlicensed person could be subject to disciplinary action for aiding & abetting unlicensed practice; Medicaid & Medicare charges during the unlicensed period may be subject to denial or reimbursement; malpractice providers may not cover the individual during the unlicensed period.

All reinstatement applications must be reviewed and approved by the Board.
