

Rule 150-3-.01 Examination for Dental Licensure

- (1) Each candidate submitting an application for a dental license must have passed all sections of the National Board Theory Examinations - Part I and Part II with a score of 75 or higher or have a passing score on the Integrated National Board Dental Exam. The President of the Georgia Board of Dentistry may appoint one or more members of the Board to proctor the National Dental Board Examinations held in Georgia.
- (2) Each candidate for a license to practice dentistry must pass with a score of 75 or higher a jurisprudence examination on the laws and rules governing the practice of dentistry in the State of Georgia. Such examination shall be in the English language. The score will be valid for one year.
- (3) Each candidate for a license to practice dentistry must pass all sections with a score of 75 or higher on any clinical examination administered by the Georgia Board of Dentistry, or a testing agency designated and approved by the Board. Such examination shall be in the English language.
- (4) Any candidate who fails one or two sections of any clinical examination or any combination of one, two, or three sections of the clinical examination, three times must take a remedial course of study designated and pre-approved by the board.
 - (a) Once the candidate shows written proof of successful completion of the approved course of study, the Board will grant the candidate one additional attempt at successful passage of a clinical licensing examination approved by the board.
 - (b) After a fourth failure of one or more sections of any clinical examination, no further attempts will be authorized or scores recognized by the board for licensure in Georgia.
- (5) Any candidate who fails three or more sections of any clinical examination three times must successfully complete a one-year American Dental Association-accredited course of study pre-approved by the board.
 - (a) Once the candidate provides written proof of successful completion of this one-year course of study, the board will grant the candidate one additional attempt at successful passage of a clinical licensing examination approved by the Georgia Board.
 - (b) After a fourth failure of one or more sections of any clinical examination, no further attempts will be authorized or scores recognized by the board for licensure in Georgia.
- (6) For purposes of this rule, failure of the completed curriculum integrated format type examination shall only be counted as one (1) examination failure. Failure of Part II of the curriculum integrated format type examination will be applicable to sections (4) and (5) of this rule.
- (7) In determining whether an applicant has met the requirements for licensure, the board will only consider:
 - (a) The examination given by the Georgia Board of Dentistry prior to February 22, 1993.

- (b) Results from the Southern Regional Testing Agency (SRTA) that were attained between February 22, 1993 and December 31, 2005; to include SRTA retake examination results until December 31, 2006.
 - (c) Results from the American Board of Dental Examiners (ADEX) examination as uniformly administered by the Central Regional Dental Testing Service (CRDTS) and the Northeast Regional Board of Dental Examiners (NERB) that were attained between January 1, 2006 and June 30, 2009.
 - (d) Results from the Central Regional Dental Testing Service (CRDTS) examination or any other testing agency designated and approved by the Board attained subsequent to June 30, 2009. Results from the retake examinations administered by the Northeast Regional Board of Dental Examiners (NERB) or the Central Regional Dental Testing Service (CRDTS) are accepted through June 30, 2010. Such retakes must be from initial examinations taken prior to June 30, 2009 and must include at least one successful score from Parts II, III, IV or V.
 - (e) Results from the American Board of Dental Examiners, Inc. (ADEX) dental examination as uniformly administered by a testing agency approved by the Board taken on or after January 1, 2015.
 - (f) Results from the Central Regional Dental Testing Service (CRDTS) Manikin-based (no human subject) dental examination taken on or after January 1, 2021.
 - (g) Results from the American Board of Dental Examiners, Inc. (ADEX) Manikin-based (no human subject) dental examination taken on or after January 1, 2021.
 - (h) Results from the Southern Regional Testing Agency dental examination taken on or after January 1, 2021.
 - (i) Regional examinations must include psychomotor patient-based or simulated patient-based (manikin) procedures performed as part of the assessment of clinical competencies, and shall include evaluations in the following areas:
 - 1. periodontics, clinical abilities testing;
 - 2. endodontics, clinical abilities testing;
