Review Committee

July 22, 2016
7:30 a.m.

The following Committee members were present:

Dr. Greg Goggans, Chair
Dr. Dale Mayfield

Staff present:

Brandi Howell, Business Ops Specialist

Open Session

Dr. Goggans established that a quorum was present and called the meeting to order at 7:43 a.m.

Discussion Topics

The Committee discussed the requests submitted by Fortis College and Everest-Zenith Education Group. Dr. Mayfield made a motion for the Committee to recommend approval to the full Board as each submission meets the Board's requirements for expanded duties dental assistant programs. Dr. Goggans seconded and the Committee voted unanimously in favor of the motion.

Dr. Goggans stated that going forward he would like, at the direction of this Committee, to do a couple of things. The first is to request the associations/dental groups survey its members for input as to what should be included in EDDA training and what expanded duties should be added to Board Rule 150-9-.02. He suggested giving them a time period of 90 days send responses back to the Board. Once the results of the survey are received, he would then like to see the Committee suggests recommendations to the Rules Committee and, at the same time, develop any criteria that going forward any EDDA training would need to include.

With no further business, the Committee meeting adjourned at 7:49 a.m.

The next scheduled meeting of the EDDA Review Committee will be held on Friday, August 12, 2016, at 7:30 a.m. at the Department of Community Health's office located at 2 Peachtree Street, N.W., 36th Floor, Atlanta, GA 30303.
