**1. Discuss issue of “Provisional” and “Temporary” licensure as it pertains to Licensure by Credentials and Public Health Licensure.**

The Georgia Board of Dentistry decided to remove the term “Provisional” for the licenses of dentist and dental hygienists who are licensed by credentials. Also, they decided to remove the term “Temporary” from the license of those with a Public Health license.

This change was made out of the fact that DCH would not pay for any services provided by a dentist or hygienist with a “Provisional” or “Temporary” license.

**2. Other Business**

Frank Caughman with MCG submitted a request for non-domestic speakers to treat patients at MCG. The Board voted to approve the request.

There being no further business to come before the Board, the meeting was adjourned at 12:21p.m.
