150-7-.04 Dental Provisional Licensure by Credentials.

- (1) For purposes of this rule “State” includes Washington D.C. and all U.S. territories.
- (2) “Provisional Licensure by Credentials” means a license to practice dentistry in the State of Georgia granted to individuals licensed to practice dentistry in another state who have not met all of the requirements for a regular dental license but who have met equivalent requirements for the practice of dentistry as set forth in O.C.G.A. § 43-11-41 and by board rule.
- (3) “Full Time Clinical Practice” means a minimum of 1,000 hours ~~per year~~ for each twelve (12) month period immediately preceding the date of the application in the hands-on treatment of patients. Training programs do not qualify as full time clinical practice.
- (4) “Active Dental License” is defined as an unencumbered license held by an individual without restrictions.
- (5) “Full Time Clinical Faculty” means a minimum of 1,000 hours per year in the teaching of clinical dental skills at an ADA-accredited dental school/program. Training programs do not qualify as full time clinical faculty practice.
- (6) Only those applicants licensed and currently engaged in full time clinical practice as defined in subsection (3) of this rule in a state that has a credentialing law similar to the licensure by credentials law in Georgia will be considered by the board for a provisional license by credentials. Applicants from states not issuing licenses by credentials are ineligible.
- (7) The board may, in its discretion, grant a provisional license by credentials to dentists licensed in another state who do not hold a Georgia license to practice dentistry.
- (8) As set forth in O.C.G.A. § 43-11-41, an applicant for a provisional license by credentials must also meet the following requirements:
  - (a) Must have an active dental license in good standing from another state.

**GEORGIA BOARD OF DENTISTRY**  
**Board Meeting**  
**July 11, 2008**

(b) Must have received a doctor of dental surgery (D.D.S.) degree or a doctor of dental medicine (D.M.D.) degree from a dental school approved by the board and accredited by the Commission on Dental Accreditation of the American Dental Association (A.D.A.) or its successor agency.

(c) Applicants must have been in full time clinical practice, as defined in sub-section (2) of this rule; full time faculty as defined in sub-section (4) of this rule; or a combination of both for each of the five years immediately preceding the date of the application.

(d) Candidates with any felony convictions are not eligible. Candidates convicted of a misdemeanor involving moral turpitude or dealing with the administering, dispensing or taking of drugs including, but not limited to controlled substances, are not eligible.

(e) Those applicants who have received a doctoral degree in dentistry from a dental school accredited by the Commission on Dental Accreditation of the American Dental Association, or its successor agency, must provide the following in order to complete their application:

1. Certified copy of the applicant's testing results showing passage of all sections with a score of 75 or higher or its equivalent score on a clinical examination administered by the board or a testing agency designated and approved by the board.

(i) After a fourth failure of one or more sections of any clinical examination, no further attempts will be recognized by the board for licensure by credentials in Georgia.

2. Show passage with a score of 75 or higher on a jurisprudence examination on the laws and rules governing the practice of dentistry in the State of Georgia. Such examination shall be administered in the English language.

3. Proof of current CPR certification;

4. Copies of any and all National Practitioner's Data Bank reports pertaining to the applicant;

5. Official transcripts under seal from a school or university from which the applicant received his/her doctorate in dentistry;

6. National Board scores showing passage of all sections of the examination with a score of 75 or higher;

7. Verification of licensure from all states where the applicant has ever held or currently holds a license to practice dentistry; and

8. Furnish a background check. The applicant shall be responsible for all fees associated with the performance of a background check.

(9) Those applicants who have received a doctoral degree in dentistry from a dental school not accredited by the Commission on Dental Accreditation of the American Dental Association, or its successor agency, in addition to the information required in sub-section (8)(a), (c), (d) and (e) of this rule must also provide the following in order to complete their application:

(a) Successful completion at an accredited dental school approved by the board of the last two years of a program leading to the doctor of dental surgery (D.D.S.) or doctor of dental medicine (D.M.D.) degree; and

(b) Certification by the dean of the accredited dental school where such supplementary program was taken that the candidate has achieved the same level of didactic and clinical competency as expected of a graduate of the school.

(10) All applicants must show passage of all sections with a score of 75 or higher on a clinical examination administered by the board or testing agency

designated and approved by the board and a jurisprudence examination on the laws and rules governing the practice of dentistry in the State of Georgia. Such examinations shall be administered in the English language.

(11) Within the first two (2) years of being granted a provisional license by credentials, applicant must establish full-time clinical practice which is defined in sub-section (2) of this rule or the license will be automatically revoked.

(12) ~~For the first five biennial renewal periods, the holder of a dental provisional license by credentials must attest to the fact that he or she has maintained full time clinical practice in the State of Georgia as defined in sub-section (2) of this rule.~~ Active duty military dentists on federal installations are exempt from the state of practice requirement as contained in subsection (6) of this rule as long the applicant has an active license in an acceptable state and meets all other requirements as set forth in this rule.

(13) ~~The Board shall have the authority to refuse to grant a provisional license by credentials to an applicant, or to revoke the provisional license by credentials to a dentist licensed by the Board, or to discipline a dentist holding a provisional license by credentials in accordance with the provisions of O.C.G.A. § 43-11-47.~~ Contract employees on Georgia federal installations are exempt from the state of practice requirement as contained in subsection (6) of this rule as long the applicant has an active license in an acceptable state meets all other requirements as set forth in this rule.

(14) ~~The submission of an application for a dental provisional license by credentials shall constitute consent for performance of a criminal background check. Each applicant who submits an application to the board for provisional licensure by credentials agrees to provide the board with any and all information necessary to run a criminal background check, including but not limited to classifiable sets of fingerprints. The applicant shall be responsible for all fees associated with the performance of a background check. These exempt applicants must provide a letter from the supervising authority/ commanding officer at the federal installation. Such letter must include but not be limited to the applicants general service record, any complaint or disciplinary action as well as continuing education the credentialing candidate may have obtained.~~

(15) ~~For the first five biennial renewal periods, the holder of a dental provisional license by credentials must attest to the fact that he or she has maintained full time clinical practice in the State of Georgia as defined in sub-section (2) of this rule~~

(16) ~~The Board shall have the authority to refuse to grant a provisional license by credentials to an applicant, or to revoke the provisional license by credentials to a dentist licensed by the Board, or to discipline a dentist holding a provisional license by credentials in accordance with the provisions of O.C.G.A. § 43-11-47.~~

Authority O.C.G.A. §§ 43-11-7, 43-11-8, 43-11-40, 43-11-41, and 43-11-42.

The Board voted that the formulation and adoption of this rule does not impose excessive regulatory cost on any licensee and any cost to comply with the proposed rule cannot be reduced by a less expensive alternative that fully accomplishes the objectives of the applicable laws as provided by the Attorney General's office.

**GEORGIA BOARD OF DENTISTRY**  
**Board Meeting**  
**July 11, 2008**

The board also voted that it is not legal or feasible to meet the objectives of the applicable laws to adopt or implement differing actions for businesses as listed in O.C.G.A. §50-13-4(3)(A)(B)(C)(D). The formulation and adoption of these rules will impact every licensee in the same manner and each licensee is independently licensed, owned and operated in the field of Dentistry.

- **Board Rule 150-7-.05 – Dental Hygiene Provisional Licensure by Credentials**
  - **Dr. Andrews moved to post. Ms. Bush seconded the motion and it carried unanimously.**

150-7-.05 Dental Hygiene Provisional Licensure by Credentials.

- (1) For purposes of this rule “State” includes Washington D.C. and all U.S. territories.
- (2) “Provisional Licensure by Credentials” means a license to practice dental hygiene in the State of Georgia granted to individuals licensed to practice dental hygiene in another state who have not met all of the requirements for a regular dental hygiene license but who have met equivalent requirements for the practice of dental hygiene as set forth in O.C.G.A. § 43-11-71.1 and by board rule.
- (3) “Full Time Clinical Practice” means a minimum of 1,000 hours per year for each twelve (12) month period immediately preceding the date of the application in the hands-on treatment of patients.
- (4) “Active Dental Hygiene License” is defined as an unencumbered license held by an individual without restrictions.
- (5) “Full Time Clinical Faculty” means a minimum of 1,000 hours per year in the teaching of clinical dental hygiene skills at an ADA-accredited dental hygiene school/program.
- (6) Only those applicants licensed and currently engaged in full-time clinical practice as defined in sub-section (3) of this rule in a state that has a credentialing law similar to the licensure by credentials law in Georgia will be considered by the board for a provisional license by credentials. Applicants from states not issuing licenses by credentials are ineligible.
- (7) The board may, in its discretion, grant a provisional license by credentials to dental hygienists licensed in another state.
- (8) In addition to the requirements set forth in O.C.G.A. § 43-11-71.1, an applicant for a provisional license by credentials must also meet the following requirements:
  - (a) Must have an active unrestricted dental hygiene license in good standing from another state.
  - (b) Must have received a dental hygiene degree from a dental hygiene college or school approved by the board and accredited by the Commission on Dental Accreditation of the American Dental Association (A.D.A.) or its successor agency, if any.
  - (c) Applicants must have been in full time clinical practice, as defined in sub-section (3) of this rule; full-time faculty as defined in sub-section (5) of this rule; or a combination of both for each of the two years immediately preceding the date of the application.
  - (d) Candidates with any felony convictions are not eligible. Candidates convicted of a misdemeanor involving moral turpitude or dealing with the administering, dispensing or taking of drugs, including but not limited to controlled substances, are not eligible.
  - (e) The applicant must meet all requirements for licensure set forth in Board Rules 150-5-.02, 150-5-.03, 150-5-.04, and 150-5-.05.
  - (f) Furnish a background check. The applicant shall be responsible for all fees associated with the performance of a background check.

**GEORGIA BOARD OF DENTISTRY**  
**Board Meeting**  
**July 11, 2008**

(g) Within the first two (2) years of being granted a provisional license by credentials, an applicant must establish full-time dental hygiene clinical practice which is defined in subsection (3) of this rule or the license will be automatically revoked.

(h) All applicants must show passage of all sections with a score of 75 or higher, or its equivalent score, on a clinical examination administered by the board or testing agency designated and approved by the board and a jurisprudence examination on the laws and rules governing the practice of dental hygiene in the State of Georgia. Such examinations shall be administered in the English language.

(i) After a fourth (4<sup>th</sup>) attempt of one or more sections of any clinical examination, no further attempts will be recognized by the board for licensure by credentials in Georgia.

(9) The Board shall have the authority to refuse to grant a provisional license by credentials to an applicant, or to revoke the provisional license by credentials to a dental hygienist licensed by the Board, or to discipline a dental hygienist holding a provisional license by credentials in accordance with the provisions of O.C.G.A. § 43-11-72.

(10) Contract employees on Georgia federal installations are exempt from the state of practice requirement as long the application has an active license in an acceptable state.

Authority §§ 43-11-7, 43-11-8, 43-11-9, and 43-11-71.1.

The Board voted that the formulation and adoption of this rule does not impose excessive regulatory cost on any licensee and any cost to comply with the proposed rule cannot be reduced by a less expensive alternative that fully accomplishes the objectives of the applicable laws as provided by the Attorney General's office.

The board also voted that it is not legal or feasible to meet the objectives of the applicable laws to adopt or implement differing actions for businesses as listed in O.C.G.A. §50-13-4(3)(A)(B)(C)(D). The formulation and adoption of these rules will impact every licensee in the same manner and each licensee is independently licensed, owned and operated in the field of Dentistry.

**General:** Dr. Tom Godfrey

- **Dr. Godfrey along with the full board gave recognition to Dr. Clyde Andrews** as president of the Board.
- **Consider for ratification licenses that have been administratively issued:**

Dr. Cook made a motion to ratify the list. Dr. Stacey seconded the motion and it carried unanimously for the following newly issued licenses.
