- Rules to consider for posting:
 - **150-3-.05 Renewal and Reinstatement:** Dr. Holcomb made a motion, Dr. Nalley seconded and the Board voted to **post** the rule.

150-3-.05 Renewal and Reinstatement

(1) Licenses shall expire at the close of December 31 in all odd-numbered years, and shall be administratively revoked for failure to renew on July 1 of the following

even-numbered year. Fees for license renewal shall be assessed as set forth in Rule 150-12-.01. Licenses, which have been administratively revoked, shall be reinstated only in the discretion of the Board upon completion of a reinstatement application.

(2) For all instances in which the license in question was revoked for reasons other than the failure to renew, a minimum of two (2) years shall pass from the date of the revocation of license before the Board will consider an application for its reinstatement. Any service member as defined in O.C.G.A. § 15-12-1 whose license to practice dentistry or dental hygiene expired while serving on active duty outside the state shall be permitted to practice dentistry or dental hygiene in accordance with the expired license and shall not be charged with a violation relating to such practice on an expired license for a period of six (6) months from the date of his or her discharge from active duty or reassignment to a location within the state. Any such service member shall be entitled to renew such expired license

without penalty within six (6) months after the date of his or her discharge from active duty or reassignment to a location with the state. The service member must present to the board a copy of the official military orders or a written verification signed by the service members commanding officer to waive any charges.

(3) In the event that an application for reinstatement of a license is denied, the Board will consider a subsequent reinstatement application no sooner than one (1) year from the date that the previous application was denied. For all instances in which the license in question was revoked for reasons other than the failure to renew, a minimum of two (2) years shall pass from the date of the revocation of license before the Board will consider an application for its reinstatement.

(4) As a condition precedent to the reinstatement of a revoked license, the Board may, in its discretion, impose any remedial requirements deemed necessary before an individual may resume the practice of dentistry or dental hygiene. After five (5) years have passed without the applicant being actively engaged in the practice of dentistry or dental hygiene, the Board may, in its discretion, require passage of an examination administered by the Georgia Board of Dentistry or a Regional Testing Agency designated and approved by the Board. In addition, the Board may require documentation from a physician or physicians licensed in the State of Georgia that establishes to the satisfaction of the Board that the applicant is able to practice with reasonable skill and safety to patients. In the event that an application for reinstatement of a license is denied, the Board will consider a subsequent reinstatement application no sooner than one (1) year from the date that the previous application was denied. (5) As a condition precedent to the reinstatement of a revoked license, the Board may, in its discretion, impose any remedial requirements deemed necessary before an individual may resume the practice of dentistry or dental hygiene. After five (5) years have passed without the applicant being actively engaged in the practice of dentistry or dental hygiene, the Board may, in its discretion, require passage of an examination administered by the Georgia Board of Dentistry or a Regional Testing Agency designated and approved by the Board. In addition, the Board may require documentation from a physician or physicians licensed in the State of Georgia that establishes to the satisfaction of the Board that the applicant is able to practice with reasonable skill and safety to patients.

Authority O.C.G.A §§_____.

• **150-7-.01 Public Health License:** Dr. Holcomb made a motion, Dr. Nalley seconded and the Board voted to **post** the rule.

150-7-.01 Public Health License. Amended.

(1) The board may issue, in its discretion without examination, a license to dentists for the sole purpose of practicing public health dentistry in an official state or a local health department or to render dental services to patients in state -operated eleemosynary or correctional institutions, provided that these dentists possess a license in another state, are in good standing in said state and have graduated from an American Dental Association (ADA) accredited dental college. Such license shall be valid for as long as the holder maintains employment only in a public health setting.

(2) Temporary public health licensees are subject to all provisions of O.C.G.A. §§ 43-11-46 and 43-11-46.1 at renewal.

(3) Temporary public health licensees shall at all times maintain all out-of-state licenses in good standing and shall certify to this with each renewal.

(4) Upon request, all applicants shall furnish a criminal background check. The applicant shall be responsible for all fees associated with the performance of a background check.

• **150-7-.03 Volunteers in Dentistry:** Dr. Holcomb made a motion, Dr. Nalley seconded and the Board voted to **post** the rule.

Page 3 of 18

150-7-.03 Volunteers in Dentistry.

(1) The Board may issue volunteer licenses in its discretion when it has identified an area of this state in which there is an urgent, unfilled need for dental <u>and/or dental hygiene</u> services, and when it has located a competent dentist <u>or dental hygienist</u> to fulfill such need. In granting these volunteer licenses, the Board shall observe the following criteria:

(a) Need of the Community. A volunteer license shall be issued for the purpose of serving indigent patients in areas of this state in which there is inadequate personnel to supply dental <u>or dental hygiene</u> services. In determining what constitutes an inadequate supply of dental <u>or dental hygiene</u> personnel, the Board shall consider various factors, including the dentist-patient ratio <u>or the dental hygienist- patient ratio</u> in the area in question, the distance between patients and any existing dentist <u>or dental hygienist</u>, the maldistribution of particular types of specialty care, and any other factors which are indicative of an absence of adequate dental <u>or dental hygiene</u> services in or reasonably accessible to the area in question. Any group or groups of persons seeking to secure such a dentist <u>or dental hygienist</u> for a community shall supply the Board with all information necessary for it to make a determination as to the existence of all the foregoing factors.

(b) Qualifications of the Dentist.

1. The dentist <u>or dental hygienist</u> must submit an application for a volunteer license to the Board and must be retired from the practice of dentistry <u>or dental hygiene</u> and not currently engaged in such practice either full time or part time, and has prior to retirement maintained full licensure in good standing in dentistry <u>or dental hygiene</u>. This license to practice dentistry <u>or dental hygiene</u> must have been issued by a licensing authority following successful completion of a clinical licensing examination, approved by the board and must have been held at least five years while engaged in clinical practice. Applicants must not have failed a clinical licensing exam within the past five years.

As a condition precedent to a volunteer license being issued, after five (5) years have passed without the applicant being engaged in the direct observation and treatment of patients, the Board, in its discretion, may require a refresher course or the passage of an examination administered by the board or a testing agency designated and approved by the board.
 The applicant dentist <u>or dental hygienist</u> may be asked to submit a statement from a

physician attesting to the applicant's physical and mental capacity;

4. The applicant must show proof of current CPR certification;

5. If the applicant is not in compliance with the continuing education requirements established by the Board at the time application is made for the volunteer license (which is forty (40) hours for dentist <u>and twenty two (22) hours for dental hygienist</u> of continuing education within the last two (2) years including CPR at the basic life support level), the applicant may be issued a nonrenewable temporary license to practice for six months provided the applicant is otherwise qualified for such license.

6. All applicants must show passage with a score of 75 or higher on a jurisprudence examination on the laws and rules governing the practice of dentistry/dental hygiene in the State of Georgia. Such examination shall be administered in the English language;

7. There shall be no application or licensing fee for initial issuance of a volunteer license.
(c) <u>Dental Hygienists are subject to all provisions of direct supervision per rule 150-5-.03.</u> <u>Renewal of a volunteer license.</u>

1. Volunteer licenses shall expire at the close of December 31 in all odd-numbered years, and shall be administratively revoked for failure to renew on July 1 of the following even-numbered year.

2. There shall be no renewal fee for licensees holding a volunteer in dentistry license.

3. Licenses which have been administratively lapsed for non-renewal shall be reinstated only at the discretion of the board;

4. Holders of a volunteer in dentistry license are subject to continuing education requirement as outlined in Board rule 150-3-.09 (40 hours including CPR).

(d) <u>Renewal of a volunteer license.</u>

1. Volunteer licenses shall expire at the close of December 31 in all odd-numbered years, and shall be administratively revoked for failure to renew on July 1 of the following even-numbered year.

 $\overline{2}$. There shall be no renewal fee for licensees holding a volunteer in dentistry license.

<u>3. Licenses which have been administratively lapsed for non-renewal shall be reinstated only at the discretion of the board;</u>

<u>4. Holders of a volunteer in dentistry license are subject to continuing education requirements as outlined in Board rule 150-3-.09 (40 hours including CPR).</u>

5. Holders of a volunteer in dental hygiene license are subject to continuing education requirements as outlined in Board rule 150-5-.05 (22 hours including CPR).

(e) Any other provisions of Chapter 11, Title 43 of the Official Code of Georgia Annotated not inconsistent with the intent and purpose of the special license statute shall be fully applicable to all specially licensed dentists.

Authority O.C.G.A. §§ ______.

• **150-13-.01 Conscious Sedation:** Dr. Holcomb made a motion, Dr. Nalley seconded and the Board voted to **post** the rule.

150-13-.01 Conscious Sedation Permits.

(1) (a) When the intent is anxiolysis only, which is defined as the diminution or elimination of anxiety, and the appropriate dosage of nitrous oxide/oxygen inhalation and/or oral agents is administered, a permit for conscious sedation is not required.

(2) No dentist shall administer conscious sedation in Georgia in accordance with the definition of conscious sedation as defined by O.C.G.A. 43-11-1. unless such dentist possesses a permit based on a credentials review. The permits issued are either Enteral and/or Combination Inhalation/Enteral Conscious Sedation or Parenteral Conscious Sedation.

(3) An Enteral and/or Combination Inhalation/Enteral Conscious Sedation Permit holder may administer and manage enteral and or combination inhalation/enteral conscious sedation. To obtain an Enteral and/or Combination Inhalation/Enteral Conscious Sedation Permit, a dentist must provide certification of the following:

(a) Completion of an ADA-accredited postdoctoral training program, which affords comprehensive training necessary to administer and manage enteral and or combination inhalation/enteral conscious sedation; or

(b) Completion of a continuing education course, which consists of a minimum of eighteen (18) hours of didactic instruction plus twenty (20) hours of participation or video clinically-oriented experiences, which provides competency in enteral and/or combination inhalation/enteral conscious sedation. The course content must be equal to that described for an approved continuing education program in these techniques in the ADA Guidelines for Teaching Comprehensive Control of Anxiety and Pain in Dentistry, 2002 edition, or its successor publication.

(c) The dentist must have a properly equipped facility for the administration of enteral and/or combination inhalation/enteral conscious sedation and be staffed with appropriately trained and supervised personnel. The facility must have the equipment capable of delivering positive - pressure oxygen ventilation, and a pulse oximeter. The applicant must submit verification that the facility meets the above requirements and may be subject to an on-site inspection.

(d) The dentist and all support personnel must be certified in cardiopulmonary resuscitation at the basic life support level given by a board approved sponsor with an update not to exceed two years per board rules 150-3-.08, 150-3-.09, 150-5-.04, and 150-5-.05.

(e) The dentist must take four (4) hours of continuing education every two (2) years in pharmacology, anesthesia, emergency medicine or sedation, as part of the 40 hour requirement for license renewal, to maintain certification for the Enteral and/or Combination Inhalation/Enteral Conscious Sedation permit. Certification of this continuing education must be submitted at renewal.

(f) The Georgia Board of Dentistry shall be given a written, thirty (30) day advance notification of the relocation of a facility, the addition of a facility or significant change to the facility.

(g) If the permit holder intends to sedate patients under the age of twelve (12) years, an additional twelve (12) hours of pediatric-specific instruction divided between didactic and participation or video clinical experience must be obtained. This educational documentation must be submitted with the application for the Enteral and/or Combination Inhalation/Enteral Conscious Sedation Permit.

(h) When a certified Registered Nurse Anesthetist (CRNA) is permitted to function under the direction and responsibility of a dentist for the administration of conscious sedation by Enteral and/or Combination Inhalation/Enteral Conscious Sedation the operating dentist must have completed training and hold a valid conscious sedation permit issued by the board.

(4) The dentist utilizing multiple sedation modalities, including intravenous, enteral, parenteral, and inhalation, shall maintain a properly equipped facility for the administration of such sedation, staffed with appropriately trained and supervised personnel. The facility must have equipment capable of delivering positive pressure oxygen ventilation, a pulse oximeter, suction equipment that allows aspiration of the oral and pharyngeal cavity, an operating table or chair that allows for the patient to be positioned to maintain an airway, a firm platform for cardiopulmonary resuscitation, and a recovery area with available oxygen and suction. All of the afore mentioned equipment and supplies must be stationary and not subject to transfer from one site to another. The applicant must submit verification that the facility meets the above requirements and shall be subject to an on-site inspection. A Parenteral Conscious Sedation Permit holder may administer and manage the following: parenteral, enteral and/or a combination inhalation/enteral or parenteral conscious sedation. To obtain a Parenteral Conscious Sedation Permit, the dentist must provide certification of the following: (a) Completion of an ADA -accredited, postdoctoral training program, which affords comprehensive training to administer and manage parenteral conscious sedation; or (b) Completion of a continuing education course consisting of a minimum of sixty (60) hours of didactic instruction plus management of at least twenty (20) patients, which provide competency in parenteral conscious sedation. The course content must be equal to that described for an approved continuing education program in these techniques in the ADA Guidelines for Teaching the Comprehensive Control of Anxiety and Pain in Dentistry, 2002 edition, or its successor publication.

(c) The dentist utilizing multiple sedation modalities, including intravenous, enteral, parenteral, and inhalation, shall maintain a properly equipped facility for the administration of such sedation, staffed with appropriately trained and supervised personnel. The facility must have equipment capable of delivering positive pressure oxygen ventilation, a pulse oximeter, suction equipment that allows aspiration of the oral and pharyngeal cavity, an operating table or chair that allows for the patient to be positioned to maintain an airway, a firm platform for cardiopulmonary resuscitation, and a recovery area with available oxygen and suction. All of the afore mentioned equipment and supplies must be stationary and not subject to transfer from one site to another. The applicant must submit verification that the facility meets the above requirements and shall be subject to an on-site inspection.

(d) The dentist and all support personnel must be certified in cardiopulmonary resuscitation at the basic life support level given by a board approved sponsor with an update not to exceed two years per board rules 150-3-.08, 150-3-.09, 150-5-.04, and 150-5-.05.

(e) The dentist must take four (4) hours of continuing education every two (2) years in pharmacology, anesthesia, emergency medicine or sedation, as part of the 40 hour requirement for license renewal, to maintain certification for the Parenteral Conscious Sedation Permit. Certification of this continuing education must be submitted at renewal.

(f) The Georgia Board of Dentistry shall be given a written, thirty (30) day advance notification of the relocation of a facility, the addition of a facility or significant change to the facility.

(g) If the permit holder intends to sedate patients under the age of twelve (12) years, a minimum of five (5) pediatric-specific instructional experiences, both didactic and clinical,

must be included. This educational documentation must be submitted with the application for the Parenteral Conscious Sedation Permit.

(h) When a certified Registered Nurse Anesthetist (CRNA) is permitted to function under the direction and responsibility of a dentist for the administration of conscious sedation utilizing multiple sedation modalities, including intravenous, enteral, parenteral, and inhalation, the operating dentist must have completed training and hold a valid conscious sedation permit issued by the board.

(5)Permit fees: As shown in the schedule of fees adopted by the Board of Dentistry.

- (6) Renewal Fees: As shown in the schedule of fees adopted by the Board of Dentistry.
- (7) Late Renewal Fees: As shown in the schedule of fees adopted by the Board of Dentistry.

• **150-13-.02 Deep Sedation/General Anesthesia:** Dr. Holcomb made a motion, Dr. Nalley seconded and the Board voted to **post** the rule.

150-13-.02 Deep Sedation/General Anesthesia Permits.

(1) The educational requirements for a permit to use deep sedation/ general anesthesia in Georgia shall be equal to those set forth in O.C.G.A. \S 43-11-21.1.

(2) The following guidelines shall apply to the administration of deep sedation/general anesthesia in the dental office or a site approved by the Board:

(a) When administration of deep sedation/general anesthesia is provided by another qualified dentist holding a current (Georgia) deep sedation/general anesthesia permit or by a physician anesthesiologist, the operating dentist and the staff must be certified in cardiopulmonary resuscitation at the basic life support level given by a board-approved sponsor with an update not to exceed two years per board rules 150-3-.08, 150-3-.09, 150-5-.04, and 150-5-.05. (b) When a certified Registered Nurse Anesthetist (CRNA) is permitted to function under the supervision-direction and responsibility of a dentist, administration of deep sedation/general anesthesia by a CRNA shall require the operating dentist to have completed training in deep sedation/general anesthesia, commensurate with these guidelines.

(c) A dentist administering deep sedation/general anesthesia must document current successful completion of an advanced cardiac life support (ACLS) course (or an appropriate equivalent).

(d) All staff must be certified in cardiopulmonary resuscitation at the basic life support level given by a board-approved sponsor with an update not to exceed two years per board rules 150-3-.08, 150-3-.09, 150-5-.04, and 150-5-.05.

(3) In all areas in which this level of anesthesia is being conducted, the dentist shall maintain a properly equipped facility for the administration of deep sedation/general anesthesia, staffed with appropriately trained and supervised personnel. The facility must have equipment capable of delivering positive pressure oxygen ventilation, a pulse oximeter, suction equipment that allows aspiration of the oral and pharyngeal cavity, an operating table or chair that allows for the patient to be positioned to maintain an airway, a firm platform for cardiopulmonary resuscitation, and a recovery area with available oxygen and suction. All of the afore mentioned equipment and supplies must be stationary and not subject to transfer from one site to another. The applicant must submit verification that the facility meets the above requirements and shall be subject to an on-site inspection.

(4) The Georgia Board of Dentistry shall be given a written thirty (30) day advance notification of the relocation of a facility, the addition of a facility or significant changes in the facility. Changes in the method of administration of deep sedation/general anesthesia should also be brought to the attention of the Board. The permit holder shall be subject to an on-site inspection.

(5) The dentist must take four (4) hours of continuing education every two (2) years in pharmacology, anesthesia, emergency medicine or sedation as part of the forty (40) hour

requirement for license renewal to maintain certification for the deep sedation/general anesthesia permit. Certification of this continuing education must be submitted at renewal. (6) Permit fees: As shown in the schedule of fees adopted by the Board (7) Renewal fees: As shown in the schedule of fees adopted by the Board.

(8) Late rene wal fees: As shown in the schedule of fees adopted by the Board.

Authority O.C.G.A. §§ _____.

• **150-5-.03 Supervision of Dental Hygienists:** Dr. Nalley made a motion, Dr. Holcomb seconded and the Board voted to **post** the rule.

150-5-.03 SUPERVISION OF DENTAL HYGIENISTS.

(1) Direct supervision as it pertains to procedures delegated to a dental hygienist shall mean that a dentist licensed in Georgia is in the dental office or treatment facility, personally diagnoses the condition to be treated, personally authorizes the procedures and remains in the dental office or treatment facility while the procedures are being performed by the dental hygienist and, before dismissal, examines of the patient, evaluates the performance of the dental hygienist.

(2) A dental hygienist shall perform his or her duties only under the direct supervision of a duly licensed dentist who is licensed to practice in the state of Georgia.

(a) The requirement of direct supervision shall not apply to the educational training of dental hygiene students at an institution approved by the Board and the Commission on Dental Accreditation of the American Dental Association.

(b) The requirement of direct supervision shall not apply to the performance of dental hygiene duties at approved dental facilities of the Department of Human Resources, county boards of health, or the Department of Corrections.

(c) The requirement of direct supervision shall not apply to dental screenings in health fair settings in schools, hospitals, clinics, and state, county, local and federal public health programs; or other health fair settings pre-approved by the board.

(3) No dentist shall supervise more practicing dental hygienists than he or she can safely and reasonably supervise in order to ensure that the health, safety, and welfare of patients are protected.

(4) In addition to routine duties and the procedures of any of the operations or procedures authorized in O.C.G.A. §43-11-74, the following activities may be performed by a dental hygienist working under the direct supervision of a dentist:

(a) All the duties that are usually performed by a dental assistant pursuant to Title 43, Chapter 11, Article 4 of the Official Code of Georgia Annotated and Chapter 150-9 of the Rules of the Georgia Board of Dentistry, under the limitations and stipulations set forth in Title 43, Chapter 11, Article 3 of the Official Code of Georgia Annotated and Chapter 150-5 of the Rules of the Georgia Board of Dentistry.

(b) Take and mount oral x-rays;

(c) Apply medications and/or solutions approved by the Board and prescribed by the dentist that can be applied by methods approved by the Board, be that by irrigation, tray, or insertion of bioresorbable materials;

(d) Remove calcareous deposits, secretions, and stains from the surfaces of teeth.

Ultrasonic technologies are authorized for use by dental hygienists;

(e) Utilize techniques and materials necessary for the application of sealant(s) to pits of and fissures of teeth;

(f) Perform root planing and curettage with hand instruments; and

(g) Perform periodontal probing.

(5) Nothing in these rules shall be construed as authorizing dental hygienists to utilize other techniques in the course of the performance of their duties, otherwise authorized by these rules. Only dentists licensed by the Georgia Board of Dentistry shall be authorized

to perform procedures involving laser technology which alters tissue, creates thermal effect, or is intended to cut, coagulate, photocoagulate, vaporize, or ablate essentially any soft or hard tissues of the body. Additionally only dentists licensed by the Board shall be authorized to perform procedures utilizing air abrasive technology, which is normally intended for cavity preparation or enamel removal. This is to be distinguished from "micro etching" and "air polishing" technologies which are intended for stain removal and roughening the surfaces of enamel to enhance bonding, similar to acid etching, (i.e., Micro etching and air polishing are technologies authorized for use by dental hygienists).

Authority O.C.G.A. Secs. 43-11-7, 43-11-8, 43-11-9, 43-11-74.

The Board voted that the formulation and adoption of this rule does not impose excessive regulatory cost on any licensee and any cost to comply with the proposed rule cannot be reduced by a less expensive alternative that fully accomplishes the objectives of the applicable laws as provided by the Attorney General's office.

The board also voted that it is not legal or feasible to meet the objectives of the applicable laws to adopt or implement differing actions for businesses as listed in O.C.G.A. 50-13-4(3)(A)(B)(C)(D). The formulation and adoption of these rules will impact every licensee in the same manner and each licensee is independently licensed, owned and operated in the field of Dentistry.

SRTA Board of Director's Report: Dr. Clark Carroll

• The Board considered the following for the final two votes: Dr. Carol Wolff, Dr. Chirs McFarland, Dr. Jeff Moritz & Dr. John Vollenweider. Tally of votes were for Dr. McFarland and Dr. Wolff to be the Board's SRTA representatives. Board will expect the additional voters to vote with the majority of the current board members. The two representatives will be invited to participate in the Caucus with input in voice only, and not vote.

- Review e-mail to Governor Sonny Perdue from Kathleen Kelly: Viewed as informational
- **Correspondence from David Cawthon regarding dental technician duties:** The Board requested that a response be sent to Mr. Cawthon that the practice as described would be considered the practice of dentistry. The Board would sanction the technician for unlicensed practice, and the dentist for aiding and abetting unlicensed practice. The practice would be allowed if a licensed dentist is on staff and present at the lab.
- **Consider change in November board meeting date**: The Board approved the date for the Investigative Committee to be November 18th, and the date for the Board meeting to be November 4th.
- **Correspondence from Suzanne McGhee at GDA regarding patient records**: The Board requested that a response be sent referring to §31-33-2.
- October Board meeting will be held in Macon rather than Atlanta

Dr. Cook made a motion, Dr. Carlon seconded and the Board voted to enter into **Executive Session** in accordance with O.C.G.A §43-1-19(h)(2) and §43-1-2(k) to deliberate on applications and enforcement matters and to receive information on applications, investigative reports, and the Assistant Attorney General's report. Voting in favor of the motion were those present who included Drs. Trager, Andrews, Holcomb, Godfrey, Nalley, and Carroll. The Board concluded **Executive Session** in order to vote on these matters and to continue with the public session.

Licensure Overview Committee

- **R.B.J., DDS Termination of probation**: Recommendation to **approve termination of probation**
- J.E.C., DDS Termination of probation: Recommendation to approve termination of probation

Dr. Holcomb made a motion, Dr. Carlon seconded and the Board voted to **approve** the recommendations made by the Licensure Overview Committee.

Dr. Nalley made a motion, Dr. Godfrey seconded and the Board voted to **approve** the following recommendations regarding applications and licensure, with Dr. Cook and Dr. Trager **opposing** the vote regarding **J.S.E.**:

Applications/Licensure

- A.K.J. Dental hygiene applicant: Recommendation to approve
- A.K.H. Dental applicant: Recommendation to approve
- **L.D.B. Dental applicant:** Recommendation to **verify SRTA** info; if she passed all portions at the August 2003 exam, and she did not violate SRTA's twelve month rule, then approve to issue license. If she did violate the twelve month rule, or she did not pass all portions of the August 2003 exam, then deny.
- **B.J.L. Dental provisional licensure by credentials applicant**: Recommendation to **deny**
- L.M.C. Dental applicant requesting reconsideration of Board's decision from the June meeting: Recommendation to deny
- **P.J.G. Dental hygienist requesting reinstatement**: Recommendation to **table**
- **J.S.E. Dental applicant**: Recommendation to require **background check** to be submitted to the Board. Upon receipt, issue license if background check is okay. Deny if background check is not okay.

Investigative Report: Dr. Logan Nalley

Dr. Nalley made a motion, Dr. Cook seconded and the Board voted to **approve** the following Investigate Report.

GEORGIA BOARD OF DENTISTRY Board Meeting July 15, 2005 **REFER TO A.G. DENT 05-0279**

Executive Director's Report: Anita O. Martin

- Response from SRTA Request for CFC Report for June 3-5 exam at Medical College of Georgia. The Board requested that a letter be sent to SRTA requesting a HOLD be placed on candidates #A105 & A107, informing SRTA that two board members observed an ethics violation during the exam. Request information to be proved within seven days regarding any remarks from CFC/SAC reports on these two candidates. If CFC/SAC report doesn't document the violation, refer the matter to the SRTA Examiner Review Committee. Request to allow a Georgia Board member to address concerns at the next meeting of the Examiner Review Committee meeting.
- Dr. Holcomb made a motion, Dr. Nalley seconded and the Board voted to **accept Voluntary Cease & Desist** Orders on the following, and to refer the cases to the local authorities for prosecution for unlicensed practice of dentistry:
 - o Henry Hudson
 - o Charles A. Brickley
 - o Jamie Alberto Restrepo

Attorney General's Report: Reagan Dean

- Dr. Cook made a motion, Dr Godfrey seconded and the Board voted to **accept a consent order** on Mark I. Stewart.
- Dr. Cook made a motion, Dr. Godfrey seconded and the Board voted to **accept a consent order** on B.S.K.
- Dr. Nalley made a motion, Dr. Cook seconded and the Board voted to **approve** the removal of findings of fact concerning the submission of the morbidity and mortality in a proposed consent order on D.F.
- **S.W.S.** The Board requested that S.W.S. be notified that the **evaluation plan** is not acceptable. Must participate in a 72-hour **in-patient evaluation**. The attorney for S.W.S. assured the Board attorney that Dr. S.W.S. is not currently practicing.
- Provided an update on cases in his office.
