At its meeting on 12/1/2017, the Board also voted that it is not legal or feasible to meet the objectives of O.C.G.A §§ 43-11-7, 43-11-9, 43-11-80, and 43-11-81 to adopt or implement differing actions for businesses as listed at O.C.G.A§ 50-13-4(a)(3)(A), (B), (C) and (D). The formulation and adoption of these amendments will impact every licensee in the same manner, and each licensee is independently licensed, owned and operated and dominant in the field of dentistry.
