Application Checklist

The following checklist is an important part of your application. Please use this checklist to ensure that you submit a COMPLETE application.

The \$3025 non-refundable application fee payable by check or money order to the Georgia Board of Dentistry must be included with your application. Checks returned for insufficient funds will be assessed a service charge pursuant to O.C.G.A. § 16-9-20.

- 1. NOTARIZED APPLICATION: Completed application form accompanied by the appropriate fee. Your application will not be processed unless the fee and all supporting documents are received. If licensure is granted, the license will be required to be renewed by the last day of December in ODD numbered years, regardless of when you were originally licensed. The licensure process could take up to a minimum of 30 days after submission of a completed application. Further, all credentials applications must be considered by the Board. Plan your application time accordingly.
- 2. **APPLICABLE LAWS AND RULES:** O.C.G.A § 43-11-41 and Board Rule 150-7-.04 give the specific requirements for licensure by credentials. These laws and rules may be found on the board's website at www.gbd.georgia.gov.
- 3. **LICENSE VERIFICATION:** Official license verification for every dental license ever held. Each verification must indicate the date of licensure, the licensure status (active, inactive, expired, revoked, etc.) standing of license, any

disciplinary charges made against you by the licensing board and the result of these actions. The applicant must provide a copy of the formal complaint/pleading, outcomes, and a personal written explanation for each instance of discipline. You should call each state board about fees for these services. The verification must be submitted with your application IN THE ORIGINAL SEALED ENVELOPE FROM THE BOARD OF EACH STATE, and must be dated within four months of Board receipt of your application.

- 4. **DEGREE TRANSCRIPT:** An official transcript which documents graduation with a D.D.S. or D.M.D. degree from a dental school which is accredited by the American Dental Association Commission on Dental Education. The transcript must be IN THE <u>ORIGINAL SEALED</u> ENVELOPE FROM THE COLLEGE.

NATIONAL BOARD SCORES MUST COME <u>DIRECTLY</u> FROM THE NATIONAL BOARD TO OUR OFFICE.

Such verification shall state that the examination included clinical testing on live patients in the following areas:

- a. Periodontal clinical abilities testing.
- b. Completion of at least two of the following four areas:
 - a. Class II Amalgam preparation and finish
 - b. Cast Gold preparation and finish, Class II inlay, onlay, partial or full coverage crown

- b. Prosthodontic clinical abilities testing of partial denture, full denture and implant case planning.

03/18/2016

Additional clinical abilities testing modules successfully completed will be considered as substitutes where appropriate for the above requirements if those modules test a similar skill set.

If the examination completed did not require testing in the above listed modules, the application will be considered on an individual basis.

<u>IMPORTANT:</u> Clinical scores <u>MUST</u> be broken down by section, with a score for each of these sections. All candidates must have taken and passed a clinical examination with a <u>score of 75 or greater on all sections</u> of the examination. The clinical examination <u>MUST</u> be Board approved.

- 7. **JURISPRUDENCE EXAMINATION:** Successful completion of the Jurisprudence Examination with a score or 75 or higher. The Jurisprudence examination may be taken as an open book exam.
